Re: PECO's Default Service Plan for period from June 1, 2017 through May 31, 2019

Dear Secretary Chiavetta:

As stated in a billing notice to view on line, I have read various documents regarding PECO's Default Service Plan referenced above.

Point one: A specific complaint I'd like to state is that these documents need to be better explained in layman's terms so customers can fully understand. Whatever I read was devoid of total clarity.

In accordance with Pennsylvania Electric Generation Customer Choice and Competition Act, PECO is required to "obtain through competitive procurement processes a prudent mix of default service supply contracts designed to ensure adequate and reliable service at the least cost to customers over time." [66 Pa C.S. Sec.2807(e)(3.7)]

Point two: Please explain how the Default Service Plan will affect customer rates. This also is devoid of any clarity in the on line documents.

Thank you.

Sincerely,

Alice Sarajian Denty
