My Question is why PPL Exhibit 4 was submitted as evidence in the phone hearing on 20 July 2016 starting at 10:00 A.M.? Over my Objections the exhibit does not contain the information for who did the test where the test was done and is missing pertinent information that could Prejudice the presiding officer towards PPL in my Disputes C-2016-2535220, C-2016-2538023
