Ref: C-2015-2479235

Ms. Chiavetta,

This letter will hereby serve as an official appeal to any PUC imposed penalties involving McConnell Transport LLC and complaint REF C-2015-2479235 as per 52 Pa. § 5.22

Pursuant to 52 Pa. §5.61, McConnell Transport LLC did respond to complaint in reference and provided proof of compliance within the 20 day period. For this reason, the \$500 fine imposed by the PUC shall be contested by McConnell Transport LLC.

As per your documents, the referenced complaint was received on May 11, 2015. Through no liability of McConnell Transport LLC the requested documents were received by the PUC on May 12, 2015. Said documents provided proof of insurance coverage prior to and beyond the above mentioned complaint. For this reason the above complaint can be limited to nothing more than a clerical error and should be written off as a notice. An imposed fine of \$500 for something subsequently insignificant could be perceived as extortion on behalf of the PUC, and should this matter not be rescinded, will be addressed as such.

All claims of admission on behalf of the PUC in regards to the above complaint have been falsely interpreted and skewed to the benefit of the PUC. McConnell Transport LLC has proven without a doubt that it abides by all motor carrier laws set forth by the commonwealth, and in no way acknowledges any wrongdoing in reference to said complaint.

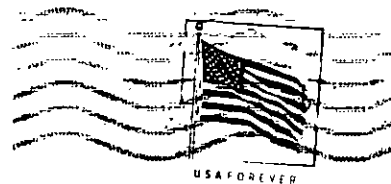

Sincerely,

Righley L. McConnell
