Shi-Ru,

This email is in response to your email to Dave Wolford of National Fuel Gas Distribution Corporation regarding a bonding letter.

Within the Natural Gas Supplier(NGS) License Application Package (see below - Section 6 Proof of Service page 10), there is a certificate of service that has to be submitted stating that each of the Natural Gas Distribution Companies that Applicant proposes to provide service in has to be sent a copy of the application and attachments. Once we receive at least a draft copy of Astral Energy's application that is going to be filed or a copy of the application that has been filed with the Pennsylvania Public Utility Commission ("PUC"), a bonding letter will be provided to you promptly via email and/or postal service to submit to the Commission. We are interested in at least the first 14 pages of this application, which can be emailed to me and/or Dave Wolford. Upon discussion with the PUC, it is my understanding that the bonding letters (Section 7), as well as the proof of publications (Section 12), can be submitted at a later date than when the original application is submitted.

Thank you,

Bev Hogan

Dear Mr. Fox:

We are pleased that Astral Energy LLC has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division ("the Companies").

Since Astral Energy LLC is not currently operating a Pool on the Peoples systems, we have determined at this time that Astral Energy LLC does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established which alters the creditworthiness requirement or the Company's exposure to Astral Energy LLC provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.

Sincerely,

Lynda W. Petrichevich

The Surety may be submitted to PECO via three acceptable forms; a Cash Deposit, a Letter of Credit, or a Surety bond. PECO will hold any surety to cover potential obligations to PECO and other system costs that could result from failure of a Supplier to meet its competitive Natural Gas Supply service delivery obligations.

Please note, although the creditworthiness requirements were met, as referenced within Section 7.13 (Creditworthiness of a Natural Gas Supplier (NGS) Serving Low Volume Transportation Customers) of the Gas Service Tariff, PECO has the right to re-assess the creditworthiness of the company if PECO has any reason to suspect a change in the marketer's financial condition.

RE: Astral Energy LLC Financial Security Requirements

Dear Ms. Lin,

UGI Utilities, Inc ("UGIU") has received the performance bond in the amount of \$50,000 as the initial security for Astral Energy, LLC ("ASTRAL") to operate as a natural gas supplier in the service territory of UGI Utilities, Inc. – Gas Division ("UGI"). As a result, UGIU has determined that ASTRAL has demonstrated adequate creditworthiness to satisfy any costs UGI may incur in the event it must operate as a supplier of last resort due to a default on the part of Astral.

This determination may change in the event there is a material deterioration in ASTRAL's financial condition, if ASTRAL's obligations to UGI exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if ASTRAL fails to abide by the terms and conditions of the UGI Gas Supplier Coordination Tariff.

Please feel free to contact me with any additional questions that you may have. I can be reached at (610) 796-3520
