SECRETARY'S BUREAU

Dear Rosemary Chiavetta & Michael L. Swindler:

My last operation of my truck was on 10/02/2015, and then I put it in storage at my rented spot at N. Mill Street storage located behind Allwein's flooring store in Cleona, Pa. I bobtailed the truck to Bambergers repair shop for semi annual inspection in the last week of may 2016 before my insurance, and registration ran out. End date for registration was 05/31/2016, and my insurance ran out on 06/14/2016 12:00am eastern time

I am thinking about a career change, and have taken time away from driving truck, I thought about selling the truck, but did not do so at this time. The truck is locked, and fenced in. I start it about every two weeks, and let it run awhile to keep the batteries charged. The truck has not left my rental spot since the last week in May of 2016, when I got it inspected, and will not till I have insurance, and drive again, or sell the truck. I apologize, for not letting you know, I didn't take a break from driving truck, since I obtained my own authority. I didn't know that I needed to inform you. I thought my Insurance Broker, (Curtis Pope, Pope insurance, Selinsgrove, Pa 570-374-8101), took care of this.

I hope this all helps clarify my situation, and you don't give me a fine.

I did not do anything illegal to my knowledge. I did not move the truck out of storage, since registration, and insurance ran out.

Please feel free to call me

Thank You
