RE:C-2016-2555695

Madam Secretary:

I am writing in response to the civil complaint received recently. Today I spoke to Mr. Robert Bingaman, Manager- Compliance Office, to discuss the complaint. I was informed that the insurance carrier canceled the insurance on July 7, 2016. On April 20, 2016 the truck was involved in an accident and was destroyed. Our insurance carrier was informed of the accident and the policy remained in force subsequent to the accident. Since the day of the accident we have not been in operation. Having recently received compensation for the truck damage we are actively searching to purchase a replacement.

I kindly request that the complaint be dismissed.

Sincerely,

Nathan Marsico, Owner
