Re: C-2016-2556619

In January 2016 Stoney Mountain Tractor Parts, Inc. changed insurance carriers. The insurance carrier filed Form H; however, our PUC number was inadvertently left off the form. At no time was Stoney Mountain without insurance.

On June 13, 2016 we received a Notice of Suspension which was addressed and we thought resolved as we received a Notice to Lift Suspension. Much to our surprise we received this Complaint. We immediately contacted our insurance carrier and upon investigation it was discovered that the PUC number had been left off the form H. They have corrected Form H and it has been refilled.

We sincerely apologize for all this confusion and hope our file reflects the corrections that have been made on our behalf.

Sincerely,

David A. Stone
President
