PECO Energy Company (PECO)

Date: August 1, 2016

Mary Paul's
Identification of Expert Witnesses and Expected Expert Witness Testimony

I received a copy of a Prehearing Order in this matter dated June 23, 2016. Paragraph 1(b) of that Order requires that on or before August 2, 2016, any party wishing to present expert testimony (medical, technical, etc.) must provide to the other party the name and business address of that expert and a written summary of the expected testimony of that expert.

I expect to call the following expert witness in this matter:

Hanoch Talmor, MD. Business Address: Gainesville Holistic Center, 4140-C NW 27th Lane, Gainesville, FL 23606. Dr. Talmor has been treating patients for the last 16 years for the effects of radiofrequency and electromagnetic fields on people's health. There are a growing number of patients that have severe sensitivity and severe adverse health effects from exposure to these frequencies. There is a vast amount of scientific evidence to the detrimental effect of these frequencies on humans. (Dr. Talmor's letter enclosed.)
