Freedom has provided electricity and natural gas brokering services in New England since 2007. We serve over 1,000 commercial customers across the deregulated markets/states, of all sizes. Our smallest customers are pizza shops and laundry mats, while our largest customers are defense contractors, education institutions and municipal governments.

Freedom has approximately 1 billion kwh per year under management, making it one of the largest New Hampshire based energy brokers.

Freedom has approximately 20 employees, with approximately 1/3 serving in a sales capacity.

Our plan in PA is simply a business to business out-reach, with potential to hire one or more local PA representatives down the road.
