Dear Mr. Dowling:

We understand that Chrislynn Energy Services, Inc. has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because Chrislynn Energy Services, Inc. intends to only provide natural gas aggregating, brokering and consulting services at this time, we have determined that Chrislynn Energy Services, Inc. will not be required to post a bond or other form of financial security instrument to provide this service in our service area. However, if the service provided or failure to meet our requirements for credit worthiness changes in the future, we reserve the right to require security from Chrislynn Energy Services, Inc. as deemed appropriate.

If you have any questions, please contact Mrs. Marjorie Johnston at 570-888-9664.

Sincerely,

Robert J. Crocker

RE: Chrislynn Energy Services, Inc. Broker application

Dear Mr. Dowling,

Based on your assertion that CHRISLYNN ENERGY Services, Inc. ("CHRISLYNN ENERGY") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that CHRISLYNN ENERGY will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that CHRISLYNN ENERGY will not be taking title to gas or directly serving end use customers. This also assumes that CHRISLYNN ENERGY will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs.

If CHRISLYNN ENERGY wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

David E. Lahoff

Dear Mr. Dowling:

We are pleased that Chrislynn Energy Services, Inc. ("Chrislynn Energy") has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division ("the Companies").

Since Chrislynn Energy Services, Inc. ("Chrislynn Energy") is not currently operating a Pool on the Peoples systems, we have determined at this time that Chrislynn Energy Services, Inc. ("Chrislynn Energy") does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established which alters the creditworthiness requirement or the Company's exposure to Chrislynn Energy Services, Inc. ("Chrislynn Energy") provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.
