Docket No. A-2015-2461902**

Dear Secretary Chiavetta:

In a Secretarial Letter entered on March 23, 2015, in the above captioned proceeding, the Commission approved Duquesne Light Company's ("Duquesne Light") application for alteration of the railroad crossing (DOT No. 584 673A). The Secretarial Letter provided that:

[t]he alteration of the crossing be completed on or before March 31, 2016, and that on or before said date Duquesne Light Company, report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plans and this Secretarial Letter.

Unforeseen delays prevented Duquesne Light from completing the alteration of the above mentioned crossing by March 31, 2016. However, please be advised that Duquesne Light satisfactorily completed work on this crossing on August 19, 2016. Duquesne Light hereby submits this certificate of completion with sincere apologies for the delay in completion.

Should you have questions, please do not hesitate to contact me at (412) 393-1482.

Respectfully Submitted,
