RE: Correction of Bond Continuation Certificate  
License Number A-2009-2139811

Dear Ms. Norvell:

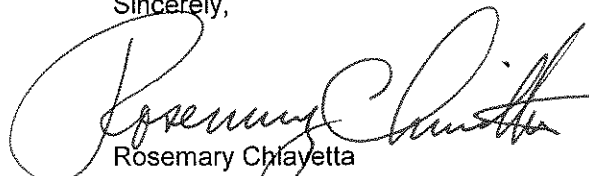

Please find under cover of this letter the Continuation Certificate recently filed by your company with the Pennsylvania Public Utility Commission as part of a supplier's license requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

While the Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument, it also requires that the signature of the principal on the financial instrument contain an original signature.

The Continuation Certificate you filed is not an original document, which must include original "wet" signatures, preferably in blue ink, and a raised seal or original notary stamp.

Therefore, please file an original, signed Continuation Certificate with my office within twenty (20) days of the date of this letter, preferably by overnight delivery. Failure to do so may result in the Commission taking action to revoke your license to operate in Pennsylvania.

Sincerely,

Rosemary Chiavetta  
Secretary of the Commission
