Customer Service

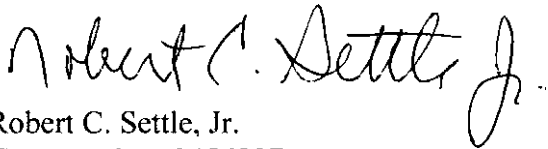

I am writing to rescind all communication from the PUC via my email address. I can not open any of the PUC email communications.

I am requesting all PUC communications from here on out be sent via the United States Postal Service (USPS).

Again, I have written two times requesting all communications come to my home via the USPS. Please do not send me any more communication from the PUC-via my personal email. I am not able to retrieve your communications via email.

Thanking you in advance for honoring my request to rescind sending communication via my personal email. Please send all communication from the Commonwealth of Pennsylvania's Public Utility Commission via the USPS.

Sincerely,

Robert C. Settle, Jr.
