I Sherry Dixon received a letter stating I had to file an exception. Because I did not agree with the decision that was made I do not know what happen to the first one I sent in. I will have to file an exception. In the papers I received it says that I could not prove Peco to be discriminated against me and no prove was found that they did not discriminate against me most of what they said did not have prove either. I feel as if it was not a fair hearing and would like to file my exception. I will send each party a copy of this letter.
