Docket No. C-2015-2512838

Dear Judge Johnson
Please Excuse this because I got it on the day in Mail
that it was to be in Thank you George

I to the Most part Agree with Judge Johnson
to take off \$5,749.77 and late charges and penalties
and Most of Bill is charges and penalties
I think they should have penalty for the way they treat
Seniors with Disabilities and on little income
for they want to dismiss this I DO NOT Agree
I did not have power there for about half the time I
been there and do not have power yet for about a year and
more NO heat last winter all pipes broke and in
Summer heat can not run fan or keep Ford
What happen to turn on power pending outcome
of PUC like they talked about
If you want anything more let me know

Thank You
George
