To The Pa Public Utility Commission Secretary
C-2016-2552834

Brief for a Petition interlocutory review. Just filed

Judge Watson refused to admit as evidence the copy of 55 56.12 because he knows the law. I included this with my complaint as proof as what law PPL was breaking since I am required to do that with my complaints. I think that his evidence should be admitted and weighed on since they never explained nor notified me that my power would be going out.
