8/29/16

This letter is in response to complaint C-2016-2560144.

I chose not to renew the liability insurance policy due to inactivity with the business at this time.

I spoke to your representative today and was informed the authority cannot be placed inactive, but must be cancelled. An attempt was made to efile today requesting cancellation, but the message did not send.

Please cancel our operating authority due to inactivity.

We have not performed any operations since 6/15/16 and do not have a current insurance policy or any equipment.

Thank you,

Thomas A. Maney, President
