Do not have a docket number yet.

First of all I would like to know why when I file a new complaint I get it rejected for being a duplicate. I have to issues with PPL.

1. My Power keeps shutting on and off for no explainable reason.
2. They have not notified me as per the law requires regarding power shut off. 52 55.61 52 55.72

These are not duplicate complaints they are separate issue at which I am filing a formal complaint.
