RE: CERTIFICATE OF PUBLIC CONVENIENCE, A-00099139

Mr. Loucks,

I recently received a Complaint, submitted by you, regarding failure to maintain evidence of cargo insurance on file with your Commission.

I did not maintain cargo insurance because I no longer in need of this Certificate SA-0099139. I did not realize I needed to take any kind of action to cancel the Certificate.

I sincerely apologize for any inconvenience this may have caused. Please advise how I should proceed with this Complaint.

Respectfully,
