RE: Docket No. C-20162563509

Dear Mr. Loucks:

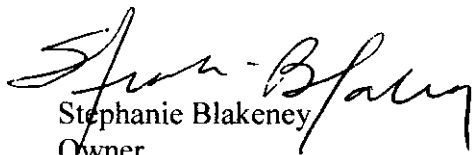

I hope all is well! I am sending this letter in regards to the above referenced docket number.

Over the summer, we experienced a drastic decline in sales. As a result, we were unable to maintain evidence of Liability insurance with the Commission. Our vehicle(s) were not in operation at any time from the policy cancellation date reported by our insurance company until the present date first stated above.

On September 13, 2016, we purchased the necessary insurance with Progressive, and the form E has been sent from the insurance company.

If you have any questions, please do not hesitate to contact me via the below information.

Warmest regards,

Stephanie Blakeney
