**Re: Docket No. C-2016-2532581
Alfred Stempo - Sammy Jo's Inc. v. Metropolitan Edison Company
Joint Request for Continuance**

Dear Judge Barnes:

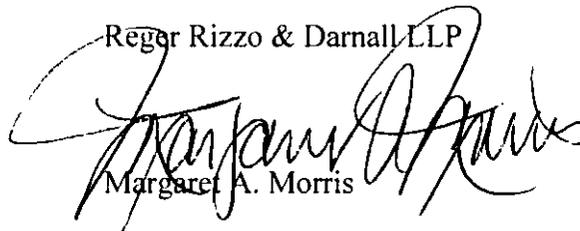

The parties jointly request a continuance of the telephonic hearing scheduled on May 31, 2016 so that they may continue to work towards an amicable resolution of the matter. The crux of the matter involves the responsibility for the billed charges during the period various corporations, owned by the Complainant or his spouse, operated a business at the Service Location.

The parties respectfully request that the matter be continued and a hearing be scheduled, if needed, as soon as practicable after July 11, 2016. The parties are actively engaged in informal discovery and the continuance will permit the Complainant the requested time to gather the various documents in support of his position and to schedule the agreed upon meeting with his accountant.

Thank you for your consideration of this request.

Very truly yours,

Reger Rizzo & Darnall LLP

Margaret A. Morris

Re: Alfred Stempo- Sammy Jo's, Inc. vs Met Ed
Docket #: C-2016-2532581

June 29, 2016

Your Honor:

I am writing you to request a continuance of the telephonic hearing scheduled for July. As per my communication with Margaret Morris, Esq., I am responding in kind. My paperwork was to be submitted at "least a week in advance" of my hearing.

The extent of the paperwork involved is overwhelming; yet, I do have it all. Please forgive me, but my lateness in submitting aforesaid paperwork was due to my wife being hospitalized repeatedly for the past few (6) months.

It is my understanding that I have sufficient time to acquire, (which I have) all necessary documentation, as per your request to resolve this case.

I have dealt with the repercussions of the failures of Met-Ed for years, and I hope to resolve this matter as an honest business owner and taxpayer.

I would appreciate any and all efforts to a continuance of this case, due to circumstances that are personally difficult.

I apologize profusely for the length of this, and any inconvenience this may have caused.

I am a simple businessman and just want this settled fairly.

Thank you for your time.

Kindest Regards,

Alfred Stempo
