RE: Docket # C-2016-2564304

A-00122773

Dear Ms. Chiavetta,

I received in the mail today a complaint/suspension/penalty notice regarding cargo & liability insurance for my trucking business D.K. Excavating, LLC; which apparently went into effect on August 17, 2016.

I would like to inform you that the insurance you are speaking of has been cancelled as of August 16, 2016 due to total loss of my business and truck in a building/shop fire. The truck and shop is completely gone as it perished completely in the fire. There is no commercial vehicle left in my possession to insure as of August 15, 2016. I'm uncertain how I can provide such proof of insurance on a vehicle/business that does not currently exist/operate. If at any time I do get back up and running the insurance will be reinstated at that time. Until then there is nothing for me to insure at this time. I have attached a picture of the perished truck for your reference.

If there are any questions regarding this on the information I have provided is not sufficient please notify me in writing as soon as possible to the above address so this matter can be rectified.

Sincerely,

David Kritzberger/Owner
