RE: Amendment to Irrevocable
Standby Letter of Credit
Number [REDACTED]
Paragon Advisors LLC
Docket Number A-2009-2137003

To Whom It May Concern:

Please find under cover of this letter the financial instrument filed by Wells Fargo on behalf of Paragon Advisors LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code, including the exact language as prescribed by the Commission in Appendix E of the Application for an Electric Supplier license.

The Letter of Credit identified in the caption above fails to include in its Amendment Number 001 the language identified in the sample Appendix E enclosed under cover of this letter.

Please file a corrected Letter of Credit adding this language to the amended paragraph on Page 1 of the document, and return the originally signed and sealed security instrument to my office within 15 days of the date of this letter, preferably by overnight delivery.

Sincerely,

Rosemary Chiavetta
Secretary of the Commission
