Application of Freedom Logistics, LLC

Answer to Section 5c Compliance

Terms of PNE and NH PUC Settlement and Investigation

PNE had to suspend its NE-ISO account in 2013 as a result of historic winter electricity pricing. This was the first time that this happened in the New Hampshire market and it took place in the middle of an emergency sale and transfer of PNE's residential customer to Fairpoint Energy. PNE was unable to complete the sale as a result of actions taken by the local host utility company, Eversource, and about 75% of the customers ended up back on default service which at a higher price than what PNE customers were paying with PNE or would have paid with Fairpoint.

After a thorough investigation by PUC Staff a recommendation was made to settle at the below terms and allow PNE back into the marketplace.

The settlement agreement incorporated the following provisions:

- (1) All former PNE customers placed on default service with PSNH on February 20, 2013, would receive a one-time payment of \$9.50 as a result of being placed on default service. Each customer's acceptance of said \$9.50 payment would be conditioned on the customer waiving any claims against PNE relating to the customer's placement on default service. The \$9.50 payment to each customer would be reduced by any amount owed by the customer to PNE under the PNE terms and conditions prior to February 20, 2013;
- (2) PNE would provide instructions to affected customers on receiving the payment described in point (1) above;
- (3) Within 3 days of the approval of the settlement agreement, the \$100,000 from the escrow account established by PNE with Sovereign Bank pursuant to N.H. Code Admin. Rules Puc 2003.01(d)(4) and Puc 2003.03, would be delivered by the Commission to counsel for PNE (Hinckley, Allen & Snyder LLP), and would be held by counsel for PNE in a client IOLTA account pending the delivery of all one-time customer payments described in point (1) above.

DE 13-059

DE 13-060 - 5 -

Counsel for PNE would release the said \$100,000 to PNE after delivery of all said customer payments;

(4) Prior to resuming operations as a CEPS in New Hampshire, PNE would establish an escrow account in the minimum amount of \$200,000 in satisfaction of the requirements set forth in N.H. Code Admin. Rules Puc 2003.01(d)(4) and Puc 2003.03. PNE would be required to increase the amount of the escrow account as required by N.H. Code Admin. Rules Puc 2003.03(a)(2);

(5) Staff recommended that, upon establishment of the escrow account described in point (4) above, the Commission should terminate operation of the provision in the February 28, 2013 order of notice, which directed PNE to cease enrolling new customers pending the outcome of this proceeding, and released New Hampshire utilities from the obligation to accept or process new customer enrollments from PNE;

(6) PNE agreed to develop a notice for former PNE customers, and to provide that notice to the Commission's Consumer Affairs Division for its review. PNE and the Consumer Affairs Division would work cooperatively and in good faith on the content of this notice, which would be provided to the former PNE customers by e-mail, posting on the PUC website, and via a PUC press release, no later than April 12, 2013; and

(7) PNE, Resident Power, and Staff agreed that the settlement agreement serves as a full release of all issues and allegations raised in the February 27, 2013 Staff recommendation, and the February 28, 2013 order of notice.

I, August B Fromuth, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. Section 4904 (relating to unsworn falsification to authorities).
