Re: Settlement of AT&T and CTCO
Docket No. I-00920020

Dear Secretary Alford:

The Office of Consumer Advocate ("OCA") agrees that the terms and conditions of the Joint Petition for Settlement of AT&T's Complaint are in the public interest and should be approved by the PUC. The proposed Petition for Settlement of AT&T's Complaint provides a reasonable resolution to AT&T's Complaint. In addition, as set forth in the Joint Petition for Settlement between Commonwealth Telephone Company ("Commonwealth"), Office of Trial Staff, and OCA (Investigation Settlement) filed October 18, 1993, the capping of Commonwealth's common carrier line charges contributes to the overall reasonable resolution of the Commission's investigation at Docket No. I-00920020. OCA also agrees that this resolution fully satisfies the terms of the Investigation Settlement at Paragraphs 12(b) and 16.

Sincerely yours,
