Electric Generation Supplier License Application - Supplement**

To Whom it May Concern:

On behalf of our client Vista Energy Marketing, L.P. ("Vista"), enclosed please find a supplement to the original application filed for consideration as an Electric Generation Supplier in the Commonwealth of Pennsylvania. This supplement contains two searchable cd-roms – one with the non-confidential portions of the application, and one with the confidential portions of the application, as well as the remaining newspaper publication notices and an updated Confidential Attachment G.

Vista previously provided the initial licensing fee in the amount of \$350.00, and an original surety bond in the amount of \$250,000.00 with its initial application.

Vista is a technically qualified and financially strong entity whose officers and staff bring strong experience in the retail electricity industry.

Thank you for your attention to this application.

Very truly yours,

Murray E. Bevan
