Brief for Petition for interlocutory Commission review

Why did Judge Watson not admit my picture evidence that was included with my complaints. I summited picture showing dirt in my toilets I asked for them to be summited with them yet he refused to. This will prejudice the court against me for not admitting the evidence included with my Complaints . Your efile only excepts PDFs Which are Photo Digital Files in other words digital pictures of a document. Otherwise Adobe Files. So why would he not admit these documents?

Ross E. Schell

And I still do not have a copy of the transcript from the last hearing.
