Your current PRICE TO COMPARE for generation and transmission from Met-Ed is listed below. For you to save, a supplier's price must be lower. Standard Residential - 0002139321 - 8.12 cents per KWH Customer reserves the right to shop for an electric supplier. Your next meter reading is scheduled to occur on or about Jan 26, 2016. Your bill includes \$25.41 in PA taxes, of which \$20.40 is PA gross receipts tax. Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utilities Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services. Customers receiving Default Service have a new Price to Compare (PTC), effective December 1, 2015. Please review the PTC information shown on page 1 of your bill. You can save money by switching to an electric generation supplier that offers a lower price than your PTC. Effective December 1, 2015, the Non-Utility Generation Charge, which recovers costs associated with purchase power contracts with non-utility generation has been adjusted. Best wishes for a joyous holiday season from all of us at Met-Ed.		Balance at Billing on Dec 31, 2015	0.00

For your safety and the safety of our crews, when using a generator follow the manufacturer's installation and operation instructions. Never connect a generator directly to your electrical system without an isolation device installed by an electrician. Otherwise, a fire could start or an employee restoring your power could be seriously injured. We suggest plugging lights/appliances in the outlets on the generator unit.		KWH used	3,382
Summer's hot temperatures can cause health problems, especially for older adults, children and people with chronic illnesses. To reduce the chance of suffering from a heat-related illness: wear light, loose-fitting clothes; stay out of direct sunlight and avoid strenuous activity; drink plenty of water; and stay in an air-conditioned area. If you don't have an air conditioner, consider visiting an air-conditioned public facility or contact the health department to find a heat-relief shelter in your area.		Charges From Met-Ed
