To whom it may concern:

I have made several attempts to reach you via phone and left several messages. The reason my insurance was cancelled is because I sold my dump truck. I may in the future need my PUC again when I purchase a new truck, and I am hoping it will not take 4 months to get it again, the last time I lost 3 months of work waiting to get my number. There is no need to fine me \$500 because I do not have a truck anymore. If you have any questions feel free to contact me at (814) 599-1960 any time it is convenient for you.

Thanks,

Jeff Kelly
