Re: Application of L & L Swisher, Inc, A-00118114

DOCUMENT  
FOLDER

To Whom It May Concern:

By Secretarial Letter dated November 10, 2004, the Commission cancelled the Certificate of Public Convenience of L & L Swisher, Inc., at docket number A-00118114. At that time the Commission received an answer from the carrier, in response to a complaint at docket A-00118114C0401, which alleged discontinuance of operations. The letter stated that the carrier no longer operated tractor trailers in Pennsylvania. Staff in the Bureau of Transportation and Safety understood the answer to be a request to discontinue operations.

This Commission has the power to rescind a Secretarial letter in light of newly discovered evidence or a change of circumstances which justify reconsideration. It has come to our attention that the applicant did not intend to discontinue operations, therefore, the November 10, 2004 cancellation of the Certificate of Public Convenience at docket number A-00118114, is hereby rescinded.

Very truly yours,

James J. McNulty  
Secretary
