To Whom It May Concern:

The Compliance Secretarial Letter set forth specific requirements which were to be met before the Commission would issue a certificate of public convenience evidencing the right to operate as a motor carrier within the Commonwealth of Pennsylvania. All of the specific requirements, which were to be forwarded to the Commission within 60 days, have not been received.

Since the Commission has not received all of the requirements within 60 days, no transportation should be rendered. Your application is hereby dismissed for non-compliance. You will be required to file a new application together with the appropriate filing fee, if you desire to begin operating as a motor carrier within Pennsylvania.

Very truly yours,

James J. McNulty
Secretary
