Petition to reconsider Judges Orders

On the 13 Of October I filed and Objection to evidence for the hearing on the 16<sup>th</sup> of October. Since the Judge does not answer my faxes or phone calls I guess he never got it even though I e filed it. On the 13<sup>th</sup>. It was rejected by the secretary though. I requested the hearing be rescheduled or canceled do to the fact we have a bad Docket number C-2016-2557836 which I got from the letter addressed to me by MS. Krupka Attorney For PPL.

Dated 12 October 2012. Yet the hearing went on even though she had the wrong Docket number on her evidence inclusion. Yet I am being penalized Because they got it wrong. I was not the one who got the Docket number wrong Yet I am being penalized for getting a number wrong Even though I thought it was rejected by

the secretary again as she has been doing with most of my documents over the last month or two.
