**Re: Brookfield Development Corp. v. City of Lancaster
Docket No. C-2016-2539396
(REQUEST FOR CANCELLATION OF HEARING)**

Dear Secretary Chiavetta:

On behalf of the City of Lancaster (Respondent) I am requesting that the hearing scheduled in this matter for October 28, 2016 be cancelled and rescheduled for an available date in February, 2017. The parties are still working toward an amicable resolution, however we have found that a successful resolution will entail the participation of municipal third parties. Those parties have been contacted and those parties are open to discussions to resolve our operational hurdles. Given the complexity of the service operations and topography we believe that our request for the additional time period for our discussions and work is warranted. The parties are equally motivated and are working in good faith towards a successful resolution. The Brookfield Development Corporation (Complainant) joins in the City's request and has no objection to the grant thereof.

Should you have any questions concerning this correspondence please contact me at your convenience. Copies of this correspondence have been served on the parties listed in the attached Certificate of Service.
