**PECO ENERGY COMPANY’S MOTION TO CONSOLIDATE**

Respondent, PECO Energy Company (“PECO”), pursuant to 52 Pa. Code § 5.81(a) respectfully petitions this Honorable Commission to consolidate the matters of Jose Feliciano v. PECO Energy, the above referenced dockets because the two complaints contain the same allegations. In support of this request, PECO avers:

1. On or around August 4, 2016, PECO Energy was served with a Complaint filed by Complainant with the Pennsylvania Public Utility Commission (“PUC”) at Docket Number C-2016-2559921. A copy is attached as Exhibit “1”.
2. In the Complainant’s formal complaint, he disputes a \$275.00 credit PECO gave to him and then reversed as a part of the Customer Assistance Program (“CAP”).
3. On October 17, 2016, PECO Energy was served with a Complaint filed by Complainant with the Pennsylvania Public Utility Commission (“PUC”) at Docket Number F-2016-2571671. A copy is attached as Exhibit “2”.
4. In the Complainant’s second formal complaint, he makes the same allegations that he did in the first complaint, which disputes a \$275.00 credit that was reversed as a part of the CAP Pre-Program Arrears program.

5. Pursuant to 52 Pa. Code § 5.101(b), PECO timely filed an Answer to both Complaints. A copy of the answers is attached as Exhibit “3”.

6. PECO Energy avers that the Complaints make the same averments and essentially contain the same allegations.

7. These Complaints should be consolidated pursuant to 52 Pa. Code § 5.81 (a), which holds:

The Commission or presiding officer, with or without motion, may order proceedings involving a common question of law or fact to be consolidated. The Commission or presiding officer may make orders concerning the conduct of the proceeding as may avoid unnecessary costs or delay.

8. Both Complaints cover the same customer, address, and contain common questions of law and fact such that one hearing covering both Complaints will avoid unnecessary costs or delay to the Commission. Each Complaint relates to the same issues and facts, whether the PECO erroneously reversed a \$275.00 CAP Pre-Program Arrears forgiveness credit given to the Complainant.

9. Accordingly, the two Complaints should be consolidated to save the time, resources and the expense of the parties and the Commission.

10. The complaint at docket number C-2016-2559921 is scheduled for hearing before Administrative Law Judge Andrew M. Calvelli on November 22, 2016. PECO requests that both dockets be heard at the November 22<sup>nd</sup> hearing.

**WHEREFORE**, PECO Energy Company respectfully requests that this Honorable Commission issue an Order consolidating the complaints at docket numbers C-2016-2559921 and F-2016-2571671. The Complaints are identical.

Respectfully Submitted,

---

If the complaint is about billing, tell us the amount you believe is not correct. Use additional paper if you need more space. Other (explain). *275.00 was a credit they wanted to charge us for this, and this company or some representative there don't do the job right because on June 10, 2016 I spoke with Dana the Sup there, she said we did not qualify for cap, but Peow still send letters to do the same*

thing, they did before, on 6/10/16 Mrs Dora  
the supervisor took our income information she has  
to get us out of the cap program.  
Why they keep sending us letters saying we have  
credit because we are in cap program, they are  
they created a mess w/ our account there.

I am sending

Peco resents letters telling us that we would  
received a credit from cap program again  
Mrs dora supposed to take out us that  
day <sup>6/10/16</sup> from Cap Program.

Note: If your complaint is only about removing or modifying a municipal lien filed by the City of Philadelphia, the Public Utility Commission (PUC) cannot address it. Only local courts in Philadelphia County can address this type of complaint. The PUC can address a complaint about service or incorrect billing even if that amount is subject to a lien.

In addition, the PUC generally does not handle complaints about cell phone or Internet service, but may be able to resolve a dispute regarding voice communications over the Internet (including the inability to make voice 911/E911 emergency calls) or concerns about high-speed access to Internet service.

#### 6. Requested Relief

How do you want your complaint to be resolved? Explain what you want the PUC to order the utility or company to do. Use additional paper if you need more space.

We will not pay the credit that belongs to us is ridiculous, I do not accept that this company (Peco) gave us a discount because we was on cap program and then on 6/10/16 Mrs <sup>Dora</sup> said to me by phone they (peco) wanted the credit they gave us from cap program back, what is that?

I've made my monthly payments just 2 <sup>Mon</sup> <sup>the</sup> were sent late because we are having economic problems. I was out of work (good) for long time. They need to put in order the mess they made

We will not pay this is not right  
Not right No good sorry !!  
another thing that they (peco) applied the credit of 275.<sup>00</sup> on March 2016 and three months later they want

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

their credit <sup>to</sup> <sup>6/16</sup> back, the customers had agreed to peco contract thirty days to claim errors on the bill: or statement if clients does at the thirty days lose the rights, sorry but this is a contract between two parties, Peco and Jose Feliciano

6. Protection From Abuse (PFA)

Has a court granted a "Protection From Abuse" order that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

Note: You must answer this question if your complaint is against a natural gas distribution utility, an electric distribution utility or a water distribution utility AND your complaint is about a problem involving billing, a request to receive service, a security deposit request, termination of service or a request for a payment agreement.

4. Reason for Complaint

What kind of problem are you having with the utility or company? Check all boxes below that apply and state the reason for your complaint. Explain specifically what you believe the utility or company has done wrong. Provide relevant details including dates, times and places and any other information that may be important. If the complaint is about billing, tell us the amount you believe is not correct. Use additional paper if you need more space. Your complaint may be dismissed without a hearing if you do not provide specific information.

- The utility is threatening to shut off my service or has already shut off my service.
  
- I would like a payment agreement.
  
- Incorrect charges are on my bill. Provide dates that are important and an explanation about any amounts or charges that you believe are not correct. Attach a copy of the bill(s) in question if you have it/them.  

I did not agree to enter into an agreement that I did not need. If they have done things correctly. What we needed was evidence to see why we were charged 275 which 211.86 after UHEAP payment.
  
- I am having a reliability, safety or quality problem with my utility service. Explain the problem, including dates, times or places and any other relevant details that may be important.
  
- Other (explain).

Note: If your complaint is only about removing or modifying a municipal lien filed by the City of Philadelphia, the Public Utility Commission (PUC) cannot address it. Only local courts in Philadelphia County can address this type of complaint. The PUC can address a complaint about service or incorrect billing even if that amount is subject to a lien.

In addition, the PUC generally does not handle complaints about cell phone or internet service, but may be able to resolve a dispute regarding voice communications over the internet (including the inability to make voice 911/E911 emergency calls) or concerns about high-speed access to internet service.

5. Requested Relief

How do you want your complaint to be resolved? Explain what you want the PUC to order the utility or company to do. Use additional paper if you need more space.

The only thing that can convince me that I am responsible for those 211.86 is a written evidence dated in 2002 confirming what they have said that ("sixteen years ago") PECO gave us that forgiveness. I'm thinking ("now I'm thinking") how many people would be affected more by the way PECO apply their forgiveness.

Where is the proof of 2002 that says they took this action sixteen years ago, PECO is using a severe and improper assertion by stating that "I think". I did not think I use the statement to them I received from PECO, statement enclosed

In the statement there is nothing written about what they say about the action taken by them on forgiven on 2002 amount, no letters PECO sent, to let us know the action taken, this is an invention of them to recover some money and they want it do this. The statement only explains that we send a very large payment that covered the monthly bill and we had credits that would be apply in the next bill

in order of this statement we do not owe anything to PECO.  
(Statement sent by Peco in relation to this Problem including.) they must return the Lineup lre dit to our account.

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

6. Protection From Abuse (PFA)

Has a court granted a "Protection From Abuse" order that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

Note: You must answer this question if your complaint is against a natural gas distribution utility, an electric distribution utility or a water distribution utility AND your complaint is about a problem involving billing, a request to receive service, a security deposit request, termination of service or a request for a payment agreement.

**ANSWER OF RESPONDENT,**  
**PECO ENERGY COMPANY**

---

On August 4, 2016, PECO Energy Company ("PECO Energy") was served with a formal complaint filed by Jose Feliciano (hereafter "Complainant") in the above captioned docket.

Pursuant to 52 Pa. Code § 5.61, PECO responds to the Complaint and states:

1. Admitted.
2. Admitted.
3. Admitted.

4. Unless specifically admitted herein, PECO Energy denies all material allegations of fact and conclusions of law in the instant Complaint. In his formal Complaint, the Complainant disputes a \$275.00 credit PECO gave to him and then reversed as a part of the Customer Assistance Program ("CAP"). The Complainant states that he will not pay it.

The Complainant established electric service at 11 Gardenia Road, Levittown, PA under account number 27497-81013. See Account Activity Statement, attached hereto as Exhibit "1".

The Complainant was initially enrolled in PECO Energy's Customer Assistance Program ("CAP") on October 10, 2002 at a previous service address 2973 Weikel Street, Philadelphia, PA. At the time of his enrollment, PECO isolated the balance on the account for forgiveness

under the company's Pre-Program Forgiveness program and the balance was subsequently forgiven. Under PECO's Universal Services Plan, PECO customers are entitled to one pre-program arrears forgiveness.

The Complainant re-enrolled in CAP at his current service address on February 18, 2016. At the time of his enrollment, PECO isolated a \$282.48 balance on the Complainant's account for possible forgiveness under the company's pre-program arrears forgiveness program. On May 27, 2016, the company reviewed the Complainant's account and determined that he had already received a one-time forgiveness in October 2002 when he first enrolled in CAP. Accordingly, PECO reversed the remaining portion of the isolated balance \$211.86 and returned it to the Complainant's account. The Complainant remains actively enrolled in CAP. He is scheduled to recertify in the program on February 18, 2018.

On June 21, 2016, the Complainant filed an informal complaint with the Bureau of Consumer Services ("BCS") at case number 003451418, disputing his balance. See Case Details Report #003451418, attached hereto as Exhibit "2". The BCS has not yet issued a Decision on the informal complaint.

The Complainant currently has a \$272.02 balance. See Exhibit "1". The entire balance is comprised CAP arrears. PECO avers that the Complainant is responsible for the \$211.86 balance returned to the account as he had already received one-time forgiveness in October 2002.

5. Denied.
6. Admitted
7. Admitted.

8. PECO Energy neither admits nor denies the allegations in paragraph 8. PECO is without knowledge or information sufficient to form a belief as to the truth of this averment and, therefore, such allegation is deemed denied.

9. Paragraph 9 is a Verification and Signature to which no response is required.

10. Paragraph 10 contains information regarding Filing, to which no response is required.

**WHEREFORE**, PECO Energy Company respectfully requests that your Honorable Commission dismiss the instant Complaint.

Respectfully Submitted,

---

**ANSWER OF RESPONDENT,**  
**PECO ENERGY COMPANY**

---

On October 17, 2016, PECO Energy Company ("PECO Energy") was served with a formal complaint filed by Jose Feliciano (hereafter "Complainant") in the above captioned docket. Pursuant to 52 Pa. Code § 5.61, PECO responds to the Complaint and states:

1. Admitted.
2. Admitted.
3. Admitted.
4. Unless specifically admitted herein, PECO Energy denies all material allegations of fact and conclusions of law in the instant Complaint. In his formal Complaint, the Complainant disputes a \$275.00 credit PECO gave to him and then reversed as a part of the Customer Assistance Program ("CAP"). The Complainant states that he will not pay it.

The Complainant established electric service at 11 Gardenia Road, Apartment 11, Levittown, PA under account number 27497-81013. See Account Activity Statement, attached hereto as Exhibit "1". The Complainant was initially enrolled in PECO Energy's Customer Assistance Program ("CAP") on October 10, 2002 at a previous service address 2973 Weikel

Street, Philadelphia, PA. At the time of his enrollment, PECO isolated the balance on the account for forgiveness under the company's Pre-Program Forgiveness program and the balance was subsequently forgiven. Under PECO's Universal Services Plan, PECO customers are entitled to one pre-program arrears forgiveness.

The Complainant re-enrolled in CAP at his current service address on February 18, 2016. At the time of his enrollment, PECO isolated a \$282.48 balance on the Complainant's account for possible forgiveness under the company's pre-program arrears forgiveness program. On May 27, 2016, the company reviewed the Complainant's account and determined that he had already received a one-time forgiveness in October 2002 when he first enrolled in CAP. Accordingly, PECO reversed the remaining portion of the isolated balance \$211.86 and returned it to the Complainant's account. The Complainant remains actively enrolled in CAP. He is scheduled to recertify in the program on February 18, 2018.

On June 21, 2016, the Complainant filed an informal complaint with the Bureau of Consumer Services ("BCS") at case number 003451418, disputing his balance. See Case Details Report #003451418, attached hereto as Exhibit "2". On September 19, 2016, the BCS issued a Decision Report, dismissing the informal complaint as follows:

**THE CUSTOMER WAS ONLY ELIGIBLE FOR FORGIVENESS ON THE ACCOUNT BALANCE OF THE FIRST ENROLLMENT INTO THE CUSTOMER ASSISTANCE PROGRAM. THE CUSTOMER'S ACCOUNT WAS REMOVED FROM THE COMPANY PAYMENT AGREEMENT PER HER REQUEST. THE CUSTOMER'S ACCOUNT WAS REMOVED FROM CUSTOMER ASSISTANCE PROGRAM FOR BEING OVER THE INCOME GUIDELINES. CASE DISMISSED.**

See BCS Decision Report #003451418, attached hereto as Exhibit "3".

The Complainant filed a formal complaint at docket number C-2016-2559921, disputing the reversal of the CAP PPA forgiveness. PECO filed an answer to the Complaint on August 22, 2016. The case is scheduled for hearing before Administrative Law Judge Andrew M. Calvelli on November 22, 2016.

The Complainant currently has a \$246.18 balance. See Exhibit "1". The entire balance is comprised CAP arrears. PECO avers that the Complainant is responsible for the \$211.86 balance returned to the account as he had already received one-time forgiveness in October 2002.

5. Denied.

6. Admitted

7. Admitted.

8. PECO Energy neither admits nor denies the allegations in paragraph 8. PECO is without knowledge or information sufficient to form a belief as to the truth of this averment and, therefore, such allegation is deemed denied.

9. Paragraph 9 is a Verification and Signature to which no response is required.

10. Paragraph 10 contains information regarding Filing, to which no response is required.

**WHEREFORE**, PECO Energy Company respectfully requests that your Honorable Commission dismiss the instant Complaint.

SHE ATTACHED HER BILLS WHICH ARE VERY CONFUSING AND DOES NOT WANT TO BE PLACED ON A PAYMENT ARRANGEMENT. CUSTOMER IS ON CAP WHICH IS GIVING HER CREDITS. THE CUSTOMER DOES NOT UNDERSTAND THAT IF SHE PAYS THE BILLS BEFORE IT IS DUE AND BEFORE THE BILL COMES OUT SHE WILL GET A ZERO AMOUNT DUE AND WHEN THE NEXT BILL COMES OUT THIS IS WHERE SHE IS GETTING THE AMOUNT DUE.
