Upon the filing of permanent proof of insurance, and upon compliance with any other provision of this letter, a certificate of public convenience will be issued authorizing the service cited above.

If you have not previously submitted a copy of a current satisfactory safety rating from the U.S. Department of Transportation or another state with safety regulations comparable to Pennsylvania, you must demonstrate safety fitness by completing a Safety Fitness Review which will be scheduled by a PUC enforcement officer within 180 days of the date your certificate of public convenience is issued/entered. Failure to submit to the Safety Fitness Review will result in the cancellation of your certificate.

We advise the applicant to become familiar with the requirements of 52 Pa. Code as applicable to the operation of a motor carrier as authorized by this grant of authority. Failure to comply with all applicable requirements may subject the carrier to penalties, including fines, suspension of operating rights or cancellation of authority. Title 52 of the Pennsylvania Code may be accessed at www.pacode.com.

Very truly yours,

James J. McNulty
