**Subject: The Pennsylvania State University; Docket # A-2015-2496244  
Petition to Amend Electric Generation License to Clarify Customer Class**

Dear Secretary Chiavetta:

The Pennsylvania State University hereby requests that the Pennsylvania Public Utility Commission consider this letter as an amendment to its Electric Generation Supplier (EGS) License application, which was granted by the Commission on September 3, 2015 at the above docket, and which authorized it to serve as a broker/marketer to governmental customers in all of the electric distribution company services territories throughout the Commonwealth of Pennsylvania. The proposed amendment is to clarify the specific types of "Governmental Customers" to which The Pennsylvania State University provides broker/marketer service and is applicable to page (5) , Section 4.e. of the electric generation service application submitted on July 27, 2015, in Docket # A-2015-2496244, to include the following clarification for "Governmental Customers":

- a. Department of General Services (DGS),
- b. "local public procurement units" as defined in the Commonwealth Procurement Code, 62 Pa. Cons. Stat. § 1901, as amended from time to time, or in any DGS regulation or policy statement promulgated or issued thereunder and as deemed eligible by DGS, and
- c. the following state-affiliated entities: Pennsylvania Turnpike Commission, Pennsylvania Housing Finance Agency, Pennsylvania Municipal Retirement System, Pennsylvania Infrastructure Investment Authority, State Public School Building Authority, Pennsylvania Higher Education Facilities Authority and the State System of Higher Education

By this letter and the enclosed \$350.00 check, The Pennsylvania State University respectfully submits that Pennsylvania Public Utility Commission accepts the proposed amendment to clarify the definition of "Governmental Customers" with respect to the EGS license awarded on September 3, 2015, in Docket # A-2015-2496244. Please contact the undersigned with any questions or with requests for any additional information.

Sincerely,

Joseph J. Doncsecz  
Associate Vice President for Finance and Corporate Controller
