Dear Ms. Chiavetta,

On September 13, 2016 the Fayette County Association for the Blind submitted an application for Motor Common Carrier of Persons in Paratransit Service with the Pennsylvania Public Utility Commission. Our goal was to assist one of our clients with transportation to the School for the Blind in Pittsburgh, PA. On October 19, 2016 we received notice that joint protests had been filed against our application by eight taxicab companies.

After careful consideration and discussion with our Board President, we wish to withdraw our application for Motor Common Carrier of Persons in Paratransit Service. As a very small nonprofit, our finances will not allow us to continue with this application in the event that we would need to secure legal counsel to help with filings for the application, and we are not comfortable filing without legal representation.

Please accept this letter as our instruction to withdraw the application. Our docket number is #A-2016-2568280.

Respectfully,

Sandra Morris  
Executive Director
