C-2016-2565235

To Whom this may Concern

I am writing this as a request for a Petition interlocutory review of a material question.

How come when PPL has admitted that the power has been going off at my house for a long time, and submitted proof, is that same evidence is ignored by the Judge? By doing the this Judge is prejudicing the PUC against me.

Ross. E. Schell

Certificate Of Service

I do Herby Certify That I have This Day 20 November 2016 I Have Served a true And correct copy of the Petition interlocutory review of a material question 20 November 2016 upon The person's and manner Set Forth Below.
