PHILADELPHIA PUBLIC UTILITY COMMISSION
GENERAL COUNSEL'S OFFICE

2/18/16

5042 N. 16th St

Philadelphia, Pa. 19141

The Honorable Judge Cynthia Williams Jordan

I have court dates for February 24th and March 24th I won't be coming to neither one I degraded - I'm grown wosex and I'm not senile and I won't allowed Braciela Christlich and the man in the Bankruptcy Dept. of the PSU to talk down to me and to have Braciela Christlich to make me out of a liar and a thief. A few days before the blizzard I called PUC to see if I could get a emergency shut off for the gas I was told that they would let me speak to a judge. she said she would speak to someone and give me a call back. Well after the blizzard I called back and I was told that the PUC don't have the Authority to turn my gas on.

I've been sick with Asthma since November 1st. I just can't believe a Corporation like PSU would be that obvious

That report with exhibit A-B was full of lies about me I don't have \$2,220.00 nor \$5,555.00 for a down payment PSU are some heartless Human beings

It's useless for me to go into the Court
room without legal representation
I couldn't find a lawyer to represent me
plus I'm too sick to come to any kind of
court.

yours Truly
Mary Shepard.

On 3-04-16 Jessica I believe that was her name from PSW called and gave me two phone phone numbers and said I might be able to get help from a 3rd party center in the park. Yvette said she couldn't help me but I could get YESFF \$1,500.00 but I will have to pay the balance. I promise to call me on 3-10-16 Yvette never called me 3-10-16 like she promise.

I had to go to the First Presbyterian Church of Bermaatown and was told I couldn't get any help from there. The Church called Jessica and she told them that PSW couldn't make an agreement because of broken agreements. If I had some money after leaving that Church I would've went to the C.R.

At this time I don't want a telephone hearing for a hearing 3-30-16 without an attorney. Inmates have hot water.

I apply for every program out there won't qualify. I feel like it's some kind of conspiracy. I have been fighting PSW for over a year or more.

PUC should be disbanded it just a waste of payers money.

yours truly,
Mary Shepherd
