To: PPL OR WHOM EVER REPRESENTS PPL

RE: NAOMI VILLAGE RESORTS

PA P.U.C.
SECRETARY'S BUREAU

2016 DEC -7 AM 9:47

RECEIVED

To Whom this may concern,

This letter is in reference to the case DOCKET NUMBER C-2016-2563945. Within the past ten years we have made many attempts to have a peaceful resolution to our requests and to continue doing business with PPL. Now we are wasting more resources and time on our business end as well as on the PUC's end and also as well as Esquire. Kimberly G. Krupka's end who is representing PPL in this case.

Esquire Krupka had reached out to us and said that because of technical difficulties,(this includes to much power to one line, wiring etc.) that PPL cannot combine our resort into one account, with one service fee receiving on bill. As mentioned many times, this is a family owned resort with 1 owner, who pays all the bills. Our account number 22831-35019 holds several units. Our profession is hospitality, one resort. I would understand PPL and respect that it could not be done if it couldn't, however this account proves otherwise. It proves they are able to connect several of our units. So we want to know if you can do it to several of our units, why it cannot be done with other units that are set up the same exact way. (As PPL claims they set up all meters and wiring the same way.) We realized calling PPL DOESN'T do anything, as they all have different reasoning and not one story is the same.

We are not in the position to pay all these service fees and waste any more resources and time on this. We would like to set up a meeting and mediate this situation and come up with a plan that is fair, we just want a just resolution. We feel as we have been stolen from, and from a company we are supposed to trust.

With this letter I am asking for an appointment immediately as soon as possible, so that we can mediate this situation and come up with a plan that can be set in motion quickly. I am pleading

1076 RT390, Naomi Village Resort, P.O.Box 609, Mountainhome, PA 18342

Tel: 570 595 2432 Fax: 570 595 6049 Website: naomivillage.com

for this mediation to be in a timely matter. This situation cannot go on any longer, and mediation is needed and as a business we need it done as soon as possible.

Thank You

General Information

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

PPL Electric Utilities uses about \$11.96 of this bill to pay state taxes and about \$58.35 is used to pay the PA Gross Receipts Tax.

Understanding Your Bill

Customer Charge - Monthly charge to recover costs of billing, meters and equipment.

Distribution Charge - Monthly charge to recover costs of local equipment used to deliver electricity from high-voltage transmission lines (see *Transmission Charge*) and safely step down voltage for use in your home or business.

kWh (Kilowatt-hour) - A measure of how much electricity your household uses. One kilowatt-hour equals the amount of electricity used by ten 100-watt lights left on for one hour.

Late Payment Charge - Charge added if you do not pay your bill by the due date.

Rate RS - Rate for service to a private home.

Smart Meter Rider - Monthly charge to recover costs associated with the smart meter programs approved by the PUC.

State Tax Adjustment Surcharge - Monthly charge or credit to reflect changes in various state taxes. The surcharge may vary by bill component.

Type(s) of Meter Readings:

Actual - Measures your monthly electricity use based on an actual reading.

Your Message Center

- The \$75.38 balance includes \$0.47 in prior late payment charges.
- With paperless billing, you can receive and pay your PPL Electric Utilities bills online. The process is free, quick, convenient and secure. To learn more or sign up, visit ppllectric.com.
- Information about appliance energy use and tips on saving energy are available through the Energy Library on our Web site, ppllectric.com/e-power
- Before digging around your home or property, you should always call the state's One Call notification system to locate any underground utility lines. You can do this by simply dialing 811, which will connect you to the One Call system. Be safe and call 811 before you dig.
- Heating your home is the biggest part of your winter energy needs. Check your heating system filter(s) monthly. Clean or change filters as needed. You can save money since your system will use less energy.

General Information

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

PPL Electric Utilities uses about \$1.56 of this bill to pay state taxes and about \$7.63 is used to pay the PA Gross Receipts Tax.

Understanding Your Bill

Customer Charge - Monthly charge to recover costs of billing, meters and equipment.

Distribution Charge - Monthly charge to recover costs of local equipment used to deliver electricity from high-voltage transmission lines (see Transmission Charge) and safely step down voltage for use in your home or business.

Generation Charge - Monthly charge to recover the cost of the production or purchase of electricity.

kWh (Kilowatt-hour) - A measure of how much electricity your household uses. One kilowatt-hour equals the amount of electricity used by ten 100-watt lights left on for one hour.

Late Payment Charge - Charge added if you do not pay your bill by the due date.

Rate RS - Rate for service to a private home.

- The \$170.35 balance includes \$0.80 in prior late payment charges.
- With paperless billing, you can receive and pay your PPL Electric Utilities bills online. The process is free, quick, convenient and secure. To learn more or sign up, visit ppllectric.com.
- Information about appliance energy use and tips on saving energy are available through the Energy Library on our Web site, ppllectric.com/e-power
- Before digging around your home or property, you should always call the state's One Call notification system to locate any underground utility lines. You can do this by simply dialing 811, which will connect you to the One Call system. Be safe and call 811 before you dig.
- Heating your home is the biggest part of your winter energy needs. Check your heating system filter(s) monthly. Clean or change filters as needed. You can save money since your system will use less energy.

General Information

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

PPL Electric Utilities uses about \$2.54 of this bill to pay state taxes and about \$12.40 is used to pay the PA Gross Receipts Tax.

Understanding Your Bill

Customer Charge - Monthly charge to recover costs of billing, meters and equipment.

Distribution Charge - Monthly charge to recover costs of local equipment used to deliver electricity from high-voltage transmission lines (see Transmission Charge) and safely step down voltage for use in your home or business.

Generation Charge - Monthly charge to recover the cost of the production or purchase of electricity.

kWh (Kilowatt-hour) - A measure of how much electricity your household uses. One kilowatt-hour equals the amount of electricity used by ten 100-watt lights left on for one hour.

Late Payment Charge - Charge added if you do not pay your bill by the due date.

Rate RS - Rate for service to a private home.

Your Message Center

- The \$245.38 balance includes \$5.30 in prior late payment charges.
- With paperless billing, you can receive and pay your PPL Electric Utilities bills online. The process is free, quick, convenient and secure. To learn more or sign up, visit ppllectric.com.
- Information about appliance energy use and tips on saving energy are available through the Energy Library on our Web site, ppllectric.com/e-power
- Before digging around your home or property, you should always call the state's One Call notification system to locate any underground utility lines. You can do this by simply dialing 811, which will connect you to the One Call system. Be safe and call 811 before you dig.
- Heating your home is the biggest part of your winter energy needs. Check your heating system filter(s) monthly. Clean or change filters as needed. You can save money since your system will use less energy.

General Information

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

PPL Electric Utilities uses about \$3.71 of this bill to pay state taxes and about \$18.13 is used to pay the PA Gross Receipts Tax.

Understanding Your Bill

Customer Charge - Monthly charge to recover costs of billing, meters and equipment.

Distribution Charge - Monthly charge to recover costs of local equipment used to deliver electricity from high-voltage transmission lines (see Transmission Charge) and safely step down voltage for use in your home or business.

Generation Charge - Monthly charge to recover the cost of the production or purchase of electricity.

kWh (Kilowatt-hour) - A measure of how much electricity your household uses. One kilowatt-hour equals the amount of electricity used by ten 100-watt lights left on for one hour.

Late Payment Charge - Charge added if you do not pay your bill by the due date.

Rate RS - Rate for service to a private home.

Your Message Center

- The \$342.82 balance includes \$1.90 in prior late payment charges.
- With paperless billing, you can receive and pay your PPL Electric Utilities bills online. The process is free, quick, convenient and secure. To learn more or sign up, visit ppllectric.com.
- Information about appliance energy use and tips on saving energy are available through the Energy Library on our Web site, ppllectric.com/e-power
- Before digging around your home or property, you should always call the state's One Call notification system to locate any underground utility lines. You can do this by simply dialing 811, which will connect you to the One Call system. Be safe and call 811 before you dig.
- Heating your home is the biggest part of your winter energy needs. Check your heating system filter(s) monthly. Clean or change filters as needed. You can save money since your system will use less energy.

General Information

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

PPL Electric Utilities uses about \$5.17 of this bill to pay state taxes and about \$25.22 is used to pay the PA Gross Receipts Tax.

Understanding Your Bill

Customer Charge - Monthly charge to recover costs of billing, meters and equipment.

Distribution Charge - Monthly charge to recover costs of local equipment used to deliver electricity from high-voltage transmission lines (see Transmission Charge) and safely step down voltage for use in your home or business.

Generation Charge - Monthly charge to recover the cost of the production or purchase of electricity.

kWh (Kilowatt-hour) - A measure of how much electricity your household uses. One kilowatt-hour equals the amount of electricity used by ten 100-watt lights left on for one hour.

Late Payment Charge - Charge added if you do not pay your bill by the due date.

Rate RS - Rate for service to a private home.

- Information about appliance energy use and tips on saving energy are available through the Energy Library on our Web site, ppllectric.com/e-power
- Before digging around your home or property, you should always call the state's One Call notification system to locate any underground utility lines. You can do this by simply dialing 811, which will connect you to the One Call system. Be safe and call 811 before you dig.
- Heating your home is the biggest part of your winter energy needs. Check your heating system filter(s) monthly. Clean or change filters as needed. You can save money since your system will use less energy.
- Save postage and late charges - sign up for Automated Bill Payment.

Total Generation & Transmission Charges		\$45.02
Amount Due By Nov 23, 2016		\$196.81
Account Balance		\$196.81

General Information

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

PPL Electric Utilities uses about \$2.38 of this bill to pay state taxes and about \$11.61 is used to pay the PA Gross Receipts Tax.

Understanding Your Bill

Customer Charge - Monthly charge to recover costs of billing, meters and equipment.

Distribution Charge - Monthly charge to recover costs of local equipment used to deliver electricity from high-voltage transmission lines (see Transmission Charge) and safely step down voltage for use in your home or business.

Generation Charge - Monthly charge to recover the cost of the production or purchase of electricity.

kWh (Kilowatt-hour) - A measure of how much electricity your household uses. One kilowatt-hour equals the amount of electricity used by ten 100-watt lights left on for one hour.

Rate RS - Rate for service to a private home.

Smart Meter Rider - Monthly charge to recover costs associated with the smart meter programs approved by the PUC.

State Tax Adjustment Surcharge - Monthly charge or credit to reflect changes in various state taxes. The surcharge may vary by bill component.

Transmission Charge - Monthly charge to recover the cost of moving electricity over high-voltage transmission lines from generation facilities to PPL Electric Utilities' distribution lines (see Distribution Charge).

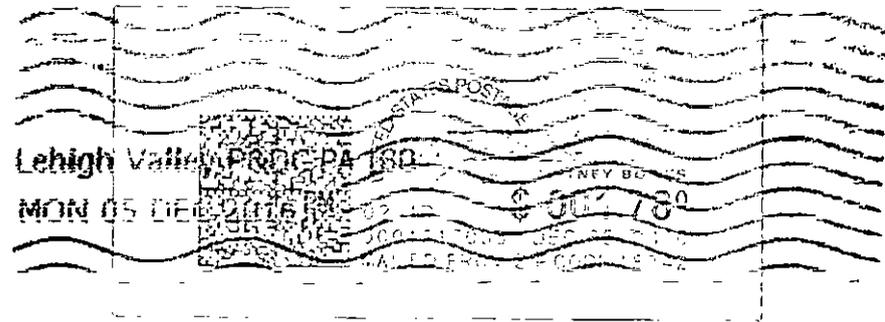

Type(s) of Meter Readings:

Actual - Measures your monthly electricity use based on an actual reading.
