RE: KLLM, INC – C-2016-2576616

Please be advised that KLLM, Inc. does want to keep their intrastate authority active. Form E proof of insurance is being filed by the insurance carrier directly with Compliance Office, Bureau of Technical Utility Service as requested in the complaint. Enclosed in this letter is the required \$500 certified funds as payment for the proposed fine required to keep the intrastate authority.

We ask that you reinstate and keep the intrastate authority active once you receive the Form E proof of insurance and the \$500 payment for the fine.

Sincerely,

A handwritten signature in black ink, appearing to read "Terry Thornton", written in a cursive style.
