

*My wife and I are committed to devoting whatever resources are necessary to conduct Applicant's certificated household goods moving operations. We do not anticipate incurring any significant expenses in starting-up Applicant's operations once the Commission approves the requested authority because Applicant has already purchased a vehicle and has on hand materials and supplies needed to provide service. In the event that there is any unanticipated major expenses, we have the following credit cards with unused lines of credit that could be accessed, if needed: Chase Bank - \$4,000; Wells Fargo Bank - \$9,500 and Discover - \$3,000. This gives Applicant access to an additional \$16,500 of financial resources to start up its operations.
