**SUBJECT:** PECO Energy Company Quarterly Distribution System Improvement Charge for its Electric Operations Effective January 1, 2017, Docket No. P-2015-2471423

Dear Secretary Chiavetta:

The filing contains PECO's quarterly Electric Distribution System Improvement Charge ("DSIC") filing as required by paragraph B.1.6 of the Supplemental Implementation Order, Docket No. M-2012-2293611, entered September 21, 2016. The Company's DSIC rate will remain at 0.00% since, as shown in Attachment 1, the plant in service balance has not yet exceeded the amount included in the Company's fully projected future test year in its last rate case.

The following attachment is included in support of the filing:

Attachment 1 – A schedule of net plant in service for the months September 2016 to November of 2016.

Thank you for your assistance in this matter and please direct any questions regarding the above to Rich Schlesinger, Manager, Retail Rates at (215) 841-5771.

Sincerely,

Copies to: C. Walker-Davis, Director, Office of Special Assistants
