SECRETARY'S BUREAU

Good afternoon Mr. Smith,

We previously spoke on December 1, 2016 concerning a call I received from Graciela Christlieb, counsel for Philadelphia Gas Works, representing that you were no longer interested in pursuing your case at Docket No. C-2016-2569011, which was scheduled for a telephonic hearing before me on December 2, 2016. Philadelphia Gas Works had no objection to you withdrawing your formal complaint in this matter. At that time I requested that you mail to the Commission a letter stating your intent to withdraw your formal complaint.

Since the Commission has not received a letter from you, I called you today, December 21, 2016, to see if you would be willing to indicate via email that you no longer wish to pursue your complaint, so that we can have your response in writing and close the record.

Please respond by 12:00 noon tomorrow, December 22, 2016, to this email indicating whether you wish to pursue your complaint.

If we do not hear from you by that time, I will presume that you are no longer interested in pursuing your complaint, and will issue an initial decision to that effect.

'Thank you very much for your understanding, and I hope you have a wonderful holiday season.
