To whom this may concern:

My name is Karen Patterson and I am writing this letter to ask the Commission to reconsider the determination because I was not aware that there was a specific criminal history record that had to be used and I was unaware that four of the medical certificates were not received. I used the criminal history record that Logisticare Solutions referred.

If you go back to 2015 you can see that I obtained the correct criminal history records and medical certificates for all of the drivers.

The case docket number is C-2014-2404362, this petition is made on behalf of Karen Patterson, CEO.

Karen Patterson, CEO
