ORDER ADMITTING A LATE-FILED EXHIBIT AND
CLOSING THE RECORD

An Initial Telephonic Hearing was held in this case on Tuesday, May 31, 2005, at 1:30 p.m. During the course of the hearing, testimony from Mr. Kevin George, a witness for PPL Electric Utilities Corporation ("PPL" or "Company"), provoked a request from Administrative Law Judge Angela Jones ("ALJ") to request documentation from the Company regarding two meter tests.

By first class mail on June 6, 2005, I received the exhibits marked PPL Exhibit 3 and PPL Exhibit 4 in compliance with my on-the-record request. PPL Exhibit 3 is documentation regarding a meter test on July 29, 2002 on a meter that was at Ms. Kurtz's property. It is one page with "heating kwh 1139. . . ." printed under "View Completion Comments" The document marked PPL Exhibit 4 is one page with "tested meter # 41806900" printed under "View Completion Comments" PPL Exhibit 4 is documentation regarding meter testing performed by Mr. George on March 4, 2005. Both exhibits are attached to this order.

Ms. Kurtz did not request to examine the exhibits before they were admitted. By this Order I am admitting the exhibits into the record through the following ordering paragraphs and closing the record.
