McKay, t/d/b/a Moving Services Unlimited. The rights to be transferred in each case are autonomous as the base territories are Harrisburg, Philadelphia and Pittsburgh. None of the rights require stipulations or conditions to eliminate duplications.

The transferor is selling a part of its rights to the applicant for the total consideration of \$10,000.00. No tangible assets are involved. One thousand five hundred dollars (\$1,500.00) has been paid with the balance to be paid within fifteen (15) days of approval of the transfer.

The transferor has filed its annual report for 1987. The insurance of the transferor was suspended effective April 1, 1988.

The authority to be transferred has been operated by the transferor, therefore, it is presumed that there is a continuing public need, which may be overcome only by evidence to the contrary. In re: Byerly, 440 Pa. 521 (1970); Hostetter v. Pa. P.U.C., 160 Super. Ct. 94 (1947). Since the record is void of any such evidence, this presumption of continuing public need applies in this transfer proceeding.

We find:

1. The applicant possesses the requisite experience, equipment and financial capacity to provide the proposed service.
2. There is a continuing need for the service involved herein.
3. Approval of the application is necessary for the continued accommodation and convenience of the public; THEREFORE,

IT IS ORDERED: That the application for transfer be and is hereby approved, and that the certificate issued February 3, 1981, as amended, be further amended to include the following right:

To transport, as a Class D carrier, household goods, personal effects and property used or to be used in a dwelling when a part of the equipment or supplies of such dwelling, as an incidental part of a removal by the householder from one domicile to another; furniture, fixtures, equipment and the property of stores, offices, museums, institutions, hospitals or other establishments when a part of the stock, equipment or supply of such stores, offices, museums, institutions, hospitals or other establishments, in connection with a removal from one location to another; and articles including objects of art, displays and exhibits, which because of their unusual nature or value require specialized handling and equipment usually employed in moving household goods, between points in the city of Harrisburg, Dauphin County, and within

ten (10) miles by the usually traveled highways of the limits of said city and from points in said city and said territory to points in Pennsylvania and vice versa;

the right above subject to the following general conditions:

1. That the approval hereby given is not to be understood as committing the Commission, in any proceedings that may be brought before it for any purpose, to fix a valuation on the rights to be acquired by applicant from the present certificate holder equal to the consideration to be paid therefor, or equal to any value that may be placed thereon by applicant, or to approve or prescribe rates sufficient to yield a return thereon.
2. That applicant shall not record in its utility accounts any amount representing the rights herein granted in excess of the actual cost of such rights to the original holder thereof.
3. That the applicant charge to Account 1550, Other Intangible Property, \$10,000.00, being the amount of the consideration payable by it for the rights and going concern value attributable thereto; less any amount recorded under condition 2 above.
4. That the certificate holder shall not transfer, sell or in any way convey any of its outstanding capital stock to any individual, partnership, corporation or any entity, without the prior filing of an application and approval thereof by the Commission under 66 PA C.S.A. Section 1102(a)(3).

IT IS FURTHER ORDERED: That the authority granted herein, to the extent that it duplicates authority now held by or subsequently granted to the carrier, shall not be construed as conferring more than one operating right.

IT IS FURTHER ORDERED: That upon compliance with the requirements of the Public Utility Code and the rules and regulations of the Commission relative to the filing of evidence of insurance and the filing and acceptance of a tariff establishing just and reasonable rates, a certificate shall issue evidencing the Commission's approval of the right to operate as above determined.

IT IS FURTHER ORDERED: That issuance of the certificate be withheld pending receipt of the 1988-1989 annual assessment of the transferor.

**Re: Application of Delauter's A-1 Services, Inc.
Docket No. A-00122443**

Dear Judge Melillo: *A-00121541 F 0002.*

I have received the Hearing Notice in the above matter specifying August 22nd as the date for the initial hearing.

I will be in Alaska on August 22nd based upon a trip that was scheduled more than one year ago.

Although the Commission's rules require a corporation to be represented by an attorney at hearing, I note that no counsel is listed for Delauter's A-1 Services, Inc.

I have no desire to unduly delay the proceeding, and I am presently available any day during the week of August 28th, any business day the following week, and any day the week of September 11th except for September 12th.

I can also provide additional dates, if necessary.

I will appreciate your consideration of this request.

Re: Application of Delauter's A-1 Services, Inc.
Docket No. A-00122443

Dear Mr. Delauter:

I received your letter, dated July 26, 2006, addressed to Administrative Law Judge Kandace F. Melillo, yesterday afternoon. I have enclosed a copy for your reference. Your letter indicates that you want to change the date of your hearing from its scheduled date of August 22, 2006 due to a previously scheduled vacation.

The Commission has issued a notice, dated July 26, 2006, rescheduling the hearing in this case for September 5, 2006 and reassigning the case to me. In accordance with paragraph one of ALJ Melillo's July 25, 2006 prehearing order, Delauter's A-1 Services, Inc. must be represented by an attorney at the September 5, 2006 hearing.

In the meantime, I encourage the parties to attempt to resolve this matter themselves. A copy of this letter and attachment will be sent to James D. Campbell, Esquire, attorney for the protestants, and docketed in the Commission's official file in this proceeding.

Sincerely,

David A. Salapa
Administrative Law Judge
