**RE: PECO: Pasco 324 West Trenton  
Case # 227-0430**

Dear Mr. Scatton:

Regarding the above referenced item, we would like to provide you with some facts regarding this dispute with PECO and some supporting documentation. We have made every effort to contact Ms. Kathleen McGettigan from PECO Customer Relations without successes. We have attempted contact with Ms. McGettigan at the provided telephone number, 215-841-6622, a multitude of times and left several voicemail messages.

On June 20<sup>th</sup> 2007 a man named "Henry" arrived at 324 West Trenton Avenue. This man was driving an unmarked civilian vehicle in serious disrepair. This individual had no identification and no documentation from PECO. He stated that he was going to shut off the power if an amount of \$339.93 was not paid immediately. We requested that he show any documentation from PECO ordering the shut-off, he had none. He did examine all of our invoices and admitted that he did not understand how the amount was determined. He further stated that PECO does not have to notify customers prior to shutting off electricity. We then requested that he permit us to contact PECO and verify his information. He rejected the request and stated that if we attempted to contact PECO he would turn off the power and leave.

We issued a check in the amount of \$339.93. Subsequently we contacted PECO and were informed that a shut-off notice had been issued. We requested a copy of the notice and to this date have never received one. We also asked the PECO representative what the total outstanding balance due was and we were provided a figure of \$436.14, which we paid. Apparently this figure was inaccurate but was provided by PECO. We request that you ask PECO to produce their tape recording of that conversation and it will become clear that they provided the incorrect amount due. Why else would a customer pay such an odd amount (\$436.14) unless they were provided that number.

We later received a letter dated July 16<sup>th</sup> requesting a security deposit of \$1025.00 to be paid in three increments and held for a period of one year. We then disputed the deposit, at which time we were instructed by your office (Chuck) not to pay the deposit and only to pay the energy bill. Furthermore PECO could not collect the deposit while the case was pending. Since filing the complaint, not only has PECO been applying our energy payments to the deposit and claiming that we are past due on the energy costs but they are now demanding the money be held for three years and paid immediately and not in increments. This appears to be a malicious act on their part in response to our filing the complaint. Our complaint against PECO is that they use "Bully Tactics", as they know consumers have no other option for energy. They arbitrarily violate the rules of the Public Utility Commission and mislead their customers seemingly at will.

We have been in direct contact with Senator McIlhinney's office and they expressed a willingness to assist. To that end we have forwarded a copy of this letter and supporting documents

Should you have any questions, please do not hesitate to contact our office.

Sincerely,

Russ Vassallo

NOTICE OF DEPOSIT REQUEST

Dear Customer:

Because you either do not have a credit history with PECO or your credit history is poor, a deposit of \$1,025.00 is required for your PECO service.

PECO will bill a deposit of two times your average monthly bill (or two times the highest monthly bill for commercial customers) in three installments: 50% on the first bill and 25% on each of the next two bills. If you do not pay the deposit when billed, your utility service can be shut-off.

After the deposit is paid in full, if you pay your bill in full and on time for 12 months, your deposit will be refunded with interest. If you shut-off or transfer your service before your deposit is refunded, we will apply your deposit, plus interest, to your final balance.

PECO offers a number of programs to help customers who are having trouble paying their monthly energy costs. Payment arrangements, budget billing plans, and other programs are available.

If you have any questions or need additional information, please call 1-800-709-8685, Monday through Friday, 7 a.m. to 6 p.m. and Saturday, 9 a.m. to 1 p.m. PECO's credit policies and procedures are available, upon request, for inspection at PECO's headquarters in Philadelphia.

Sincerely,

Credit Department

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

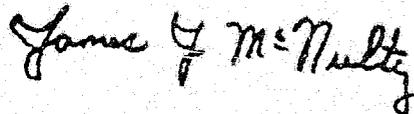

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa.
