4. COMPLAINT (check one)

A. In general, what is your complaint?

- I want to oppose the company's proposed rate increase.
- There are incorrect charges on my bill.
- There is a reliability, safety or quality problem with my utility service.
- I received a notice that my utility service is being terminated.
- I would like a payment agreement.

B. State the facts of your complaint.

Include any specific dates, times or places that are important. If the complaint is about a bill, tell us about any charges that you believe are not correct. Use additional paper if you need more space. Provide copies of all relevant documents you believe will support your complaint.

I received a letter from PUC regarding my previous dispute with UGI over charges, and had found that PUC had increased my payment \$53 a month. I am currently unemployed and was managing the agreement with UGI of \$187. But since PUC ruled for me to pay \$240 the company will not take \$187 any more ever though I always payed.

5. RELIEF

What do you want the Public Utility Commission to do about your complaint? Use additional paper if you need more space.

I want my payment arrangement with UGI to stand as it was at \$187. I can not afford \$240 and will be unable to pay. And also because of PUC's ruling my payment arrangement has been voided and they are trying to collect my total bill of \$2,000 from me. I need this resolved as fast as possible.

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. And Now comes Respondent, UGI Utilities, Inc. (UGI), and states and avers as follows:

- 1. Admitted.
- 2. Admitted.
- 3. Admitted.

DOCKETED
MAY 03 2006

5. 4.A. Admitted that Complainant has checked the block requesting a payment agreement. UGI has attempted to contact Complainant regarding the establishment of a new payment agreement, but the telephone number has been disconnected.

4.B. Since the information is within the exclusive control of Complainant, UGI is neither able to admit nor deny Complainant's averments regarding unemployment. To the extent relevant and material, strict proof thereof is demanded. Admitted that Complainant had a previous payment agreement with UGI. However, the previous payment agreement was terminated when Complainant's previous account at 2017 Ferry Street was finalized on February 18, 2006. On the same day, Complainant established this present account at 428 S. 20th Street, and Complainant's unpaid balance of \$2064.94 was transferred to the new account.

6. Paragraph 5. is a prayer for relief; therefore, no answer is required. Nevertheless, UGI avers that it is neither able to admit nor deny the averments of Paragraph 5 since the information is within the exclusive knowledge and control of the Complainant. To the extent relevant, strict proof of the averments is demanded.

- 7. No answer required.

8. Admitted.
