RE: Kenneth Dade V Securus Technologies Ince Docket No. C-2016-2547396

Dear Secretary Chiavetta:

I am writing to notify the Commission that as of today, December 20, 2016 I received the certificate of satisfaction from Securus Technologies as evidence of the envelope enclosed. It is dated from Securus Technologies that this was filed and mailed out on December 7, 2016. It also stated that I have (10) days to file an objection, and if no objection is filed, then the docket shall be marked close.

Due to this being received by Complainant late, and the (10) days expired, Complainant is notifying the Commission that he still would like to accept the settlement that Securus is offering.

Thank you for your attention in this matter.
